Membership Application Instructions and Notes

1. The information provided on this application will not be generally distributed and will only be used for official Clan MacLaren Society business. Your privacy is very important to us.
2. Give Full Names. Given that we have many people with the same names (MacLaren, Lawson, Low, etc.), providing your full name will help keep our membership records organized.
3. You may, also, include your common name(s) (i.e. nick name) in parentheses. Name tags are usually supplied at the Annual General Meetings and it's nice to have the name you answer to on them.
4. Please provide all the requested contact information, even in the case of unlisted telephone numbers. Email addresses will never be distributed on any list.
5. The Scottish Family name is the MacLaren family name that appears in your ancestry. Give the name as it is spelled by you or your ancestors.
6. Please provide the requested phone numbers and email address.
7. Persons joining as Regular or Family are encouraged to supply genealogy at the time the application is submitted.
8. Family Wood Badge applications should include the Ticket and Patrol information for both spouses.

The Clan MacLaren Society of North America has an active Genealogy Committee and would greatly appreciate your completion and submission of the Ancestral chart portion of the application. Please include all the information you have (especially dates and places identified for such events as births, marriages, and deaths). Please note the items about which you are unsure. If you have more information than the space allows please make copies of the chart or include additional pages. Electronic files from any genealogy programs are also acceptable and greatly appreciated. Files should be submitted in GEDCOM format; almost all genealogy and family tree software can create files in this format. If you have your information in a genealogy program, please email Bob McLaren a GEDCOM at: bobmclaren@earthlink.net

Note: Wood Badge Applicants do not need to submit an ancestry chart.
